

# NEW MANAGER PORTAL

ELM is excited to announce the launch of the Manager UEX Portal—designed to streamline your manager experience by bringing all essential tools and features into one centralized platform.

- **Seamless Navigation:** Effortlessly switch between your personal portal and manager functions with a single click.
- **New Features:** View notifications when new employees finish onboarding and access your Timeclock.
- **Branded for Your Company:** ELM will be customizing your portal to reflect your company's logo and color scheme—keep an eye out for these updates coming soon.
- **Mobile App Coming Soon!**

For more customization options or if you have questions about the manager portal, please reach out to [tonnie@elminfo.com](mailto:tonnie@elminfo.com)
