

Do you use QuickBooks Online or Xero?

Do you take time out of your busy week to manually enter your GL numbers after each payroll run?

Would you rather do just about anything else?

Let us take care of this for you, with a fully automated GL upload!

## ***API Driven***

Fully automated API integration to the most popular small business accounting software

### **API CONNECTIVITY**

Remove manual tasks, including messy file uploads, with pure API to API connectivity

### **FULLY AUTOMATED**

Built-in scheduler ensures general ledger data is posted without any human involvement

### **ADVANCED TOOLS**

Reports and tools to debug and proactively identify GL setup errors

## **SIMPLE PRICING**

**\$75 One Time  
Set Up Fee**

**\$40 a Month –  
Unlimited Uploads**
